8. Codes of Conduct

Players Code of Behaviour

- Play by the rules.
- Never argue with an umpire or official. If you disagree, have your captain, coach or manager approach the umpire or game officials during the break or after the game. Remember the rule book states the umpire is always right.

- Control your temper. Verbal abuse of officials and sledging other players, deliberately distracting or provoking an opponent are not acceptable or permitted behaviour in any sport.
- Work equally hard for yourself and/or your team. Your team's performance will benefit and so will you.
- Treat all participants in the sport as you would like to be treated. Do not bully or take unfair advantage of another competitor.
- Cooperate with your coach, team-mates and opponents. Without them there would be no competition.
- Participate for your own enjoyment and benefit, not just to please parents and coaches.
- Respect the rights, dignity and worth of all participants regardless of their gender, ability, cultural background or religion.

Coach Code of Behaviour

- Remember that children participate in sport for their enjoyment, not yours.
- Encourage children to participate, do not force them.
- Focus on your children's efforts and performance rather than whether they win or lose.
- Encourage children to play according to the rules and to settle disagreements without resorting to hostility or violence.
- Never ridicule or yell at a child for making a mistake or losing a game.
- Remember that children learn best by example. Appreciate good performance and skilful plays by all participants.
- Respect officials' decisions and teach children to do likewise.
- Respect the rights, dignity and worth of every young person regardless of their gender, ability, cultural background or religion.

Spectator Code of Behaviour

- Respect the decisions of the officials and teach enthusiasts of the game to do the same.
- Never ridicule or scold a young player for making a mistake. Positive comments are motivational.
- Condemn the use of violence in any form, whether it is by other spectators, coaches, officials or players.
- Show respect for your team's opponents. Without them there would be no game.
- Do not use violence, harassment or abuse in any form (that is, do not use foul language, sledge or harass players, coaches, officials or other spectators).
- Respect the rights, dignity and worth of every person regardless of their gender, ability, cultural background or religion.
