### 1. INTRODUCTION

YMCA Geelong recognises its legal, ethical and moral responsibilities to prevent work related injury and illness. The YMCA is committed to providing safe places of work that do not place the health and safety of any person at risk. We will foster positive workplace cultures across our operations where safety is considered to be a core value, safe behaviour is encouraged and respected, and continual improvement is considered to be part of normal business practice.

This policy acknowledges that providing safe work places applies to all employees, patrons, contractors, sub-contractors, volunteers, visitors and other personnel who are involved with the activities of the YMCA.

### 2. POLICY

All YMCA staff, volunteers and leaders/managers shall ensure that this commitment is fulfilled by:

- Complying with Victorian Occupation Health and Safety Act 2004 and regulations
- Implementing, monitoring and reviewing OHS policies, developing procedures and practices in accordance with regulatory requirements and health and safety standards
- Defining health and safety responsibilities and accountability, including implementing OHS responsibilities in position descriptions.
- Providing and maintaining equipment, plant and systems of work that are safe and without risk to health as per the manufacturers specifications.
- Ensuring the use, handling, transport and storage of plant and substances is safe and without risk to health and that the [Material Safety Data Sheet is completed and updated for all chemical stored on sites](#). Complete [YMCA Geelong Material Safety Data Sheets and Hazardous Chemical Register](#) for all chemicals used and stored on site.
- Providing adequate induction, instruction, training, leadership and supervision of employees to enable them to work safety, this includes providing such information in appropriate languages.
- Implementing YMCA Geelong's OHS Management System through utilisation of the OHS Manual on Extranet by all site managers.
- Participating in the assessment of Health and Safety systems, in accordance with legislative requirements, including the YMCA Geelong Compliance Program and Local Assessment Programs.
- Facilitating consultation directly with the employees and through the elected/ nominated OH&S Representative for each designated work group.
- Developing and maintaining effective consultative arrangements, to ensure all staff are included in the decision making process impacting on workplace health and safety
- Establishing a culture that encourages all personnel to actively manage health and safety risks

- Allocating adequate resources to maintain a safe, healthy and supportive working environment, this includes engaging suitably qualified and competent persons in Occupational Health and Safety to provide advice and support
- Adhere to the requirements outlined in the Occupational Health and Safety Responsibilities document and Occupational Health and Safety Structure document

The YMCA seeks the co-operation, commitment and support of all employees in achieving and maintaining a safe working environment.

### 3. DEFINITIONS
