Additional Support

If your child requires a support worker please contact our program coordinator via email shp.geelong@ymca.org.au
Bookings are subject to support worker availability.

Child Care Subsidy

Program costs can be reduced with the application of CCS if you are eligible. In order for the government to pay your child care subsidy you must confirm your child's holiday care enrolment via MyGov.

If you intend to claim CCS you must provide the correct CCS information on your enrolment form:

- Correct & unique CRN numbers for children and primary contact.
- Correct date of birth for children and primary contact.

NDIS Funding

The Y Geelong will only accept NDIS clients who are third-party managed via a provider or self-managed clients.

- Claims processed at conclusion of program
- All families using NDIS funding must complete a 'NDIS Service Agreement' and provide the Y with the participants NDIS plan prior to attending the service.
- Service Agreement can be found online via our website, under Supporting Documents
