

# YMCA Victoria **YOUTH PRESS GALLERY**

2026 Application Information Pack

# A MESSAGE FROM OUR PROGRAM DIRECTOR

Dear young Victorians and advocates of young people,

In 2026 we will see the 40th anniversary of the Victorian Youth Parliament run by The Y Victoria unfold. This will continue the program's legacy of being the longest running annual state forum for young people aged 16-25 to call for change in the state of Victoria. The program is well renowned for its commitment to authentic youth participation in civic and political process, and personally, I consider it to be one of the most empowering and enriching opportunities a young person in Victoria can experience.

The Youth Press Gallery program offers 10-15 young aspiring journalists from across Victoria the opportunity to amplify the voices of our young people from one of the most influential positions in our state; the chambers of Victorian Parliament House. Throughout the history of the Youth Press Gallery program, more than 25 young people have gone on to have their articles published, and/or are now working in the journalism industry as a result of participating in this program. In addition to the article development and other industry skill development offered on this program, the residential camping experience that we value on Youth Parliament offers Youth Parliamentarians and Press Gallery members an immersive environment for experiential learning and the development of personal and professional skills.

Applications to our program are always extremely competitive. To apply, please read the information and instructions on the following pages prior to submitting your application.

Please reach out with any questions or concerns that you may have during the application process.

Sincerely,

**Kaitlin (Sheepy) Woolford**

# WHAT IS YOUTH PRESS GALLERY?

Youth Press Gallery is a program for young people aged 16-25 who are interested in gaining experience and developing skills in political journalism, videography, photography and social media. Participants will serve as the Press Gallery for The Y Victoria's Youth Parliament.

The Youth Press Gallery program is an important part of ensuring that the voices of young Victorian's are heard. It is a great opportunity for aspiring journalists to bring attention to the issues that they're passionate about. Prior to the residential aspects of Youth Parliament, the Youth Press Gallery will partake in a series of workshops with industry professionals, equipping participants with relevant industry skills to produce stories for major publications and prepare for a career in media, politics and public policy.

Youth Press Gallery alumni participants have gone on to work for news organisations like the ABC, and some articles have been published in the ABC, SBS, Crikey and local papers such as the Macedon Ranges Leader and Bendigo Weekly.

Please note, there is no cost attributed to participating in this program – participants will receive all meals, accommodation, and activities during the residential aspects of the program free of charge.

**“** This program has helped me develop my portfolio which is wonderful. Both of my articles from the program are getting published which I'm extremely grateful for. I also adored working in Parliament for the week **”**

### TRAINING DAY (SATURDAY 23RD MAY):

The Training Day is a full day onsite at our residential camp, Lake Dewar Discovery Camp, where Youth Press Gallery participants will upskill in journalistic methods and practice covering the Youth Parliament. ## THE WEEK OF YOUTH PARLIAMENT (28TH JUNE - 3RD JULY)

This is it! The Week of Youth Parliament is a six (6) day residential camp, also at Lake Dewar Discovery Camp. This is when Youth Press Gallery participants will cover their chosen Bills at Parliament House.

**NOTE:** This year, Youth Press Gallery members will NOT be required to stay onsite at camp for the duration of the 6 days. They WILL be required to arrive by 9am at Parliament House for the 3 sitting days and stay for the entire day. Participants WILL also be required to attend the full Wednesday at camp, allowing them to touch base with their chosen teams and continue writing their articles. They will also be required to log in online each night (not Wednesday) of the week-long program to continue developing their articles.

The Youth Press Gallery members will also be invited, and required to attend, to Government House alongside the Youth Parliamentarians on Tuesday 30th June after the sitting day has concluded at Parliament House.

Across the week, participants will:

- Travel to Parliament House on their sitting days (Mon 29th-Tues 30th-Thurs 2nd)
- Cover their chosen debates using a specific journalistic medium (i.e. social media, written articles, or photography)
- Continue to develop their pieces outside of debates
- Engage in civics based sessions to increase their democratic knowledge
- Engage in community-building and global citizen based sessions with the Youth Parliamentarians

**“** I learnt how the media industry works behind the scenes, including how stories are chosen, written, and edited under pressure. These insights and skills like interviewing, writing clearly, and thinking critically will be useful in any future work I do in media or advocacy.
